In the Matter of:

ELECTRONIC INVESTIGATION INTO THE)	
OPERATION AND MANAGEMENT OF WESTERN)	CASE NO.
LEWIS-RECTORVILLE WATER AND GAS)	2019-00028
DISTRICT PURSUANT TO KRS 74 AND KRS 278)	

ORDER

In requests for information submitted on January 23, 2019, and February 28, 2019, Western Lewis-Rectorville Water and Gas District (Western Lewis-Rectorville District) was directed that each response should “include the name of the witness responsible for responding to questions related to the information provided.”¹ In responses to both requests for information, Western Lewis-Rectorville District provided names of witnesses who responded in general but failed to indicate which responses were sponsored by the named witnesses.

On its own motion, the Commission finds that, for administrative efficiency at the May 7, 2019 hearing and in compliance with previous directives, Western Lewis-Rectorville District should file a list of the witness who sponsored each discrete response to the two requests for information. Western Lewis-Rectorville is cautioned to designate the sponsoring witness for each response when responding to future requests for information.

¹ Order (Ky. PSC Jan. 23, 2019) at ordering paragraph 4.b.; Commission Staff’s Second Request for Information to Western Lewis-Rectorville Water and Gas District (Ky. PSC Feb. 28, 2019) at unnumbered page 1.

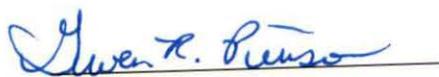

IT IS HEREBY ORDERED that within five days of the date of entry of this Order, Western Lewis-Rectorville District shall file a document identifying the witness who sponsored each response to the January 23, 2019 request for information and the February 23, 2019 request for information.
